No matter where they are installed, no single item of decoration can add more elegance and glamor to a home, store or office than the new, simply beautiful recessed clocks by R & H. Guaranteed to capture the imagination of anyone who appreciates fine things, these outstanding showpieces combine great convenience and utility with truly smart fashion. Moreover, their perfect simplicity of design gives them an enduring charm which will always be in good taste. Yet, despite their excellence of design and manufacture, R & H clocks are

priced surprisingly low!

Choice of leading architects and decorators for many of today's most widely praised homes.

Today, somewhat similar clock market by others. As usual, imitators—but R & H quality continues their proven quality, utility, and the very great variety of options are the choice of discriminating

SPORTSMAN CLOCKS

Golf or Bowling, gold finish only. Any name or congratulatory message could be engraved on center disc. Only in 12"-15" diameters.

Available upon request. Complete literature on the finest executive styled Jewelry finished wall clocks.

EXECUTIVE STYLING

NEW!
AT
LAST

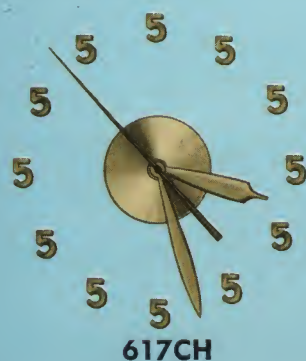

In addition to our standard heavy duty movement. A small movement to fit any 2x3x2½ switch or outlet box located in over 90% of all modern kitchen soffits . . . Add "5" in front of style number.

Any of these smart styles may be had in 9", 12", 15", 18", 24", or 36" diameters unless stated otherwise. They come with hands, hour markers and discs in perfect proportion in each clock size for inside or outside installation. Choice of five finishes (satin brass, satin aluminum, polished copper, beautiful chrome, and jet black) thus meeting requirements of virtually all decorating schemes. In addition to the wide variety of stock styles and finishes, R & H engineers are always available to create custom designs to fill any need in the whole field of recessed clocks!

OUTDOOR CLOCKS

During everybody's daily travel a question frequently asked is, "WHAT TIME IS IT?" Wherever located, clocks are appreciated as a public service and are unsurpassed for attracting attention. Any business identification or message will be read and remembered when coupled with the "pulling power of time."
